

CS5630

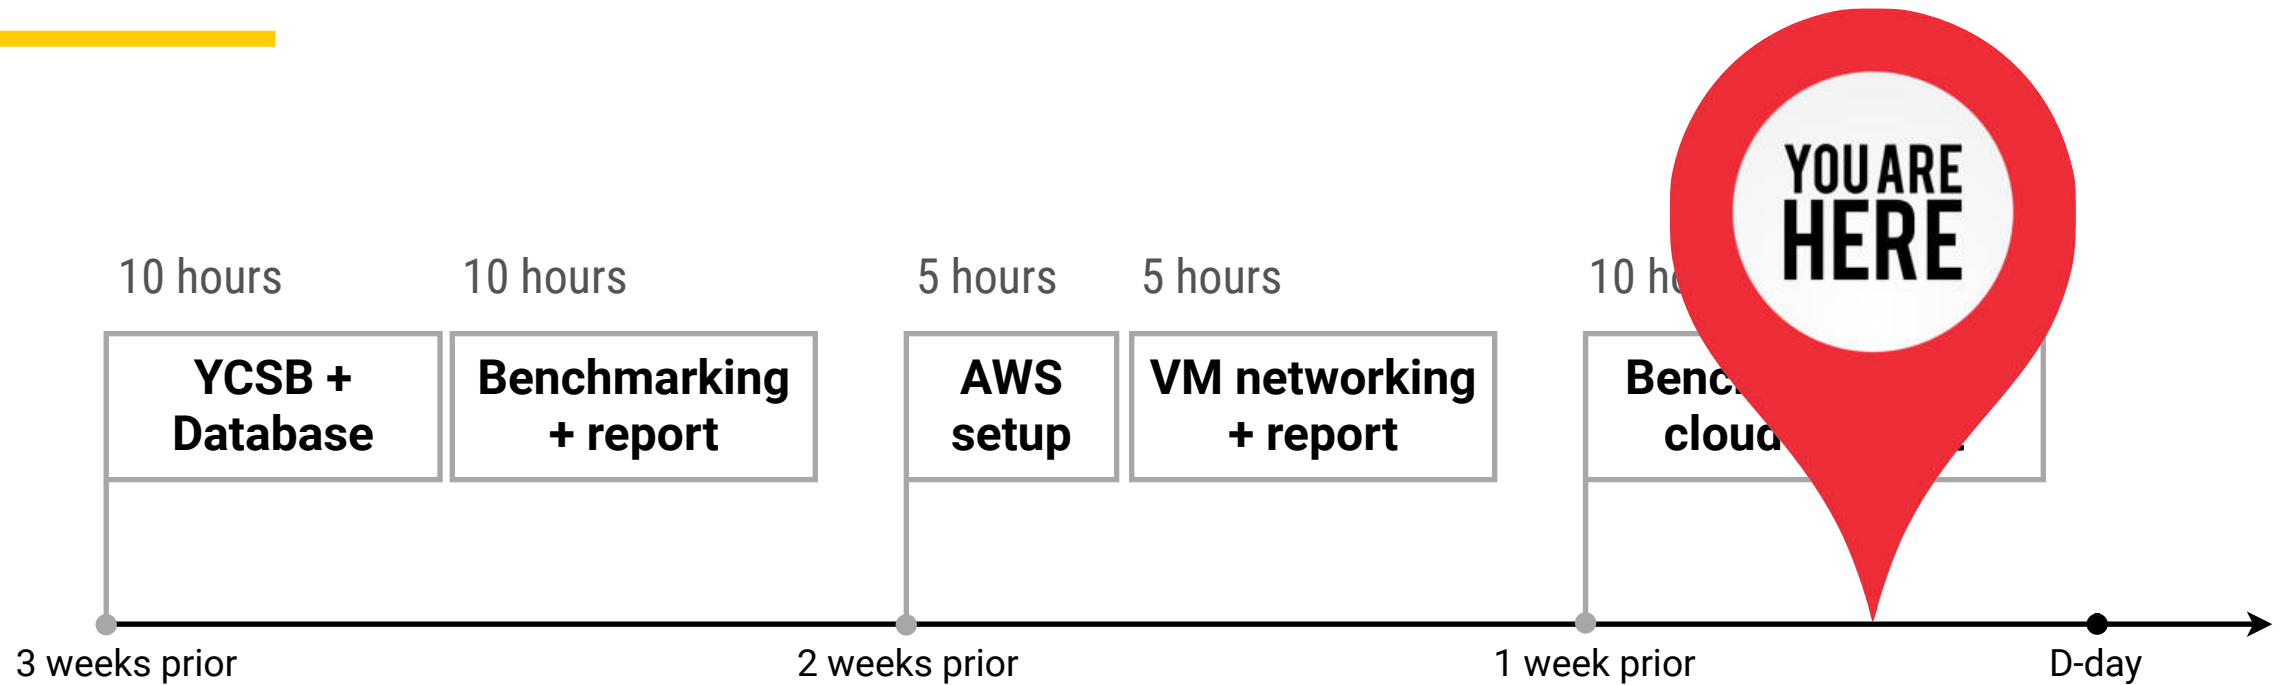

Discussion (2): Project and Midterm

Prof. Supreeth Shastri

Computer Science

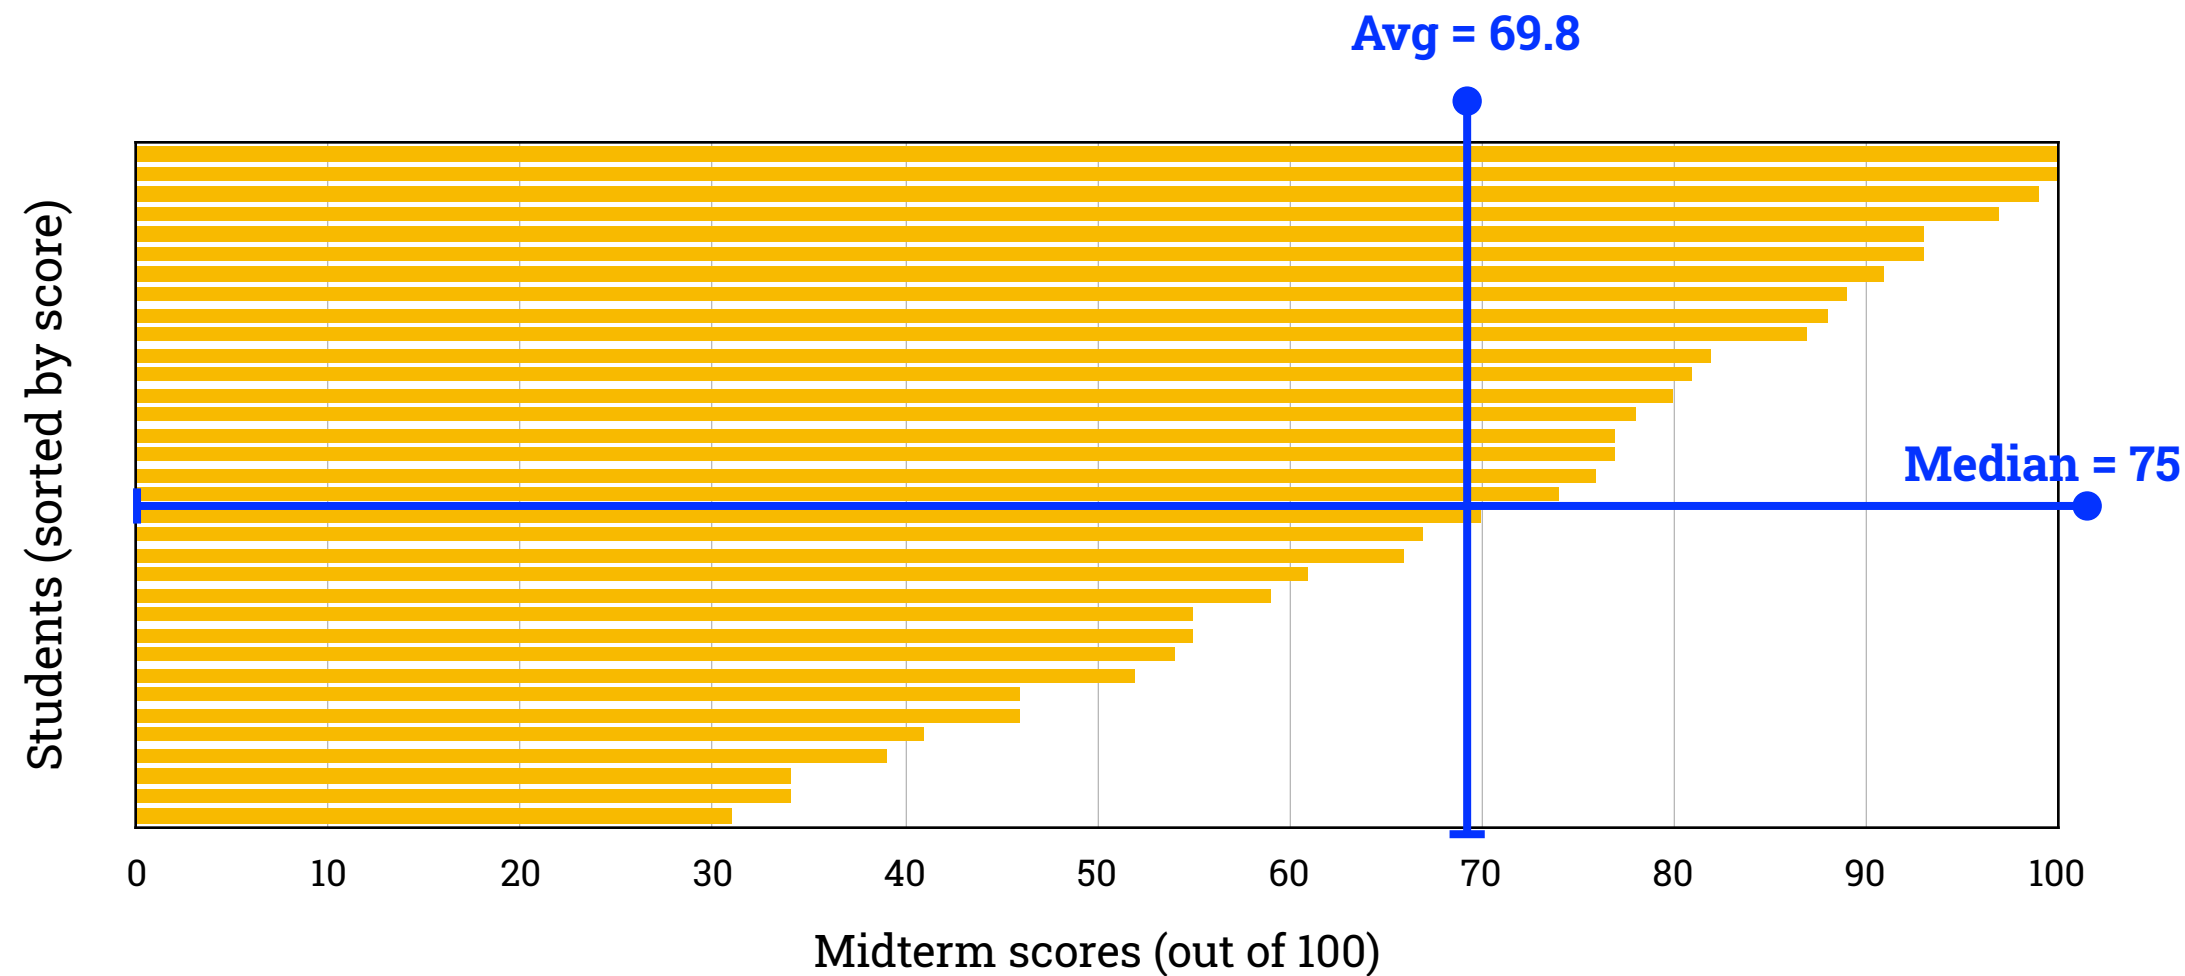

The University of Iowa

Project tracking

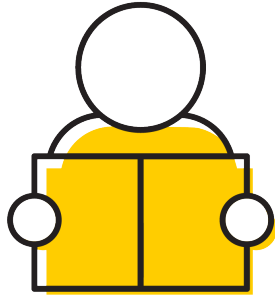

Expect to spend **~40 hours** (YMMV)

Midterm Distribution

Std dev = 21

If you have questions/concerns about midterm

Double check **reference answer**:

[https://shastri.info/teaching/cs5630/
announcements.htm](https://shastri.info/teaching/cs5630/announcements.htm)

Clarify with our TA **Dat Hong**

(email or drop by office hours)

If you come to the instructor before talking to the TA, you will be sent back to the TA
